

Studio Group Update

Our Spring Session at the Findlay Centre began on Thursday April 1st with 19 participants registered. We are happy to welcome the return of some old friends and *as we approach our capacity* for the Studio space, here is Sandra encouraging you to register in person at the next session!

Now just take a look at what some of our members have been up to at Studio Group recently!

Thankyou for sharing the sunny abstract Violet O'Connell, the daisy munching goat by Ginger Allen and that cute prancing piggy by Kathy Snell.
