Congrats to **Judy Hammond** for being awarded the People's Choice Award for her glorious watercolour rendition entitled:

### "Cottage Flowers"

Kathy will be sending out a detailed report shortly, along with an update on the possibility of a Fall Show at the Craig Gallery!

Our Studio Group Session is over for the summer but will restart in September; check your email inbox for reminders in late August with start dates and details of sign-up procedures for the Fall Session. We are always delighted to welcome new members!

We have a few months of glorious summertime to enjoy. What will you be doing? Why not share with other members and keep the DVAS membership community in touch?

Suzanne James has been busy preparing for her show which is opening in Wolfville this weekend!

Suzanne is a very accomplished artist and I'm very interested to see her latest collection.

See you there!

Here's wishing you all a creative summer of painting, enjoying good health and appreciating the good things that are all around us.

Just a reminder to let me know if you would like to be included in Plein Air Painting opportunities in and around HRM over the coming months.

Such a great way to keep in touch, get some fresh air, top-up our vitamin D levels whilst keeping the artsy vibe going!
